District Superintendent's Report

During the 2010-2011 school year, Laurens County School District No. 55 participated in the accreditation process through the AdvancED worldwide organization. This process involved not only our own in-depth examination of our school system but also an extensive review of our district's policies and practices by a team of seven educators from outside the district. I am very proud that in November 2010, District 55 successfully completed the AdvancED accreditation process and received national accreditation with all eleven of our schools accredited by the Southern Association of Colleges and Schools and the AdvancED organization.

Throughout the 18 months spent pursuing accreditation, district staff, students, parents, and community members were involved in many discussions and gave much consideration to how district policies and practices impact student performance. It was through this collaboration that the vision of our district evolved and was adopted by our board of trustees. The vision of Laurens County School District No. 55 is to be a system of excellence and equity in educational practices for each learner. This vision statement has become the foundation of all decisions made by the board and by district personnel as we continue to strive to provide our students with the knowledge and skills necessary to be successful in the twenty-first century.

During the 2010-2011 school year we continued to face decreasing financial support from the state. However, due to the sustained efforts of the entire district staff, we have reduced spending and have been able to avoid staff furloughs. In addition, we have been awarded several major competitive grants which have allowed us the opportunity to focus on several areas for enrichment.

Another valuable asset to our district is the generous support of our community and businesses. Our volunteer program has continued to grow and become a major source of assistance in our schools.

I appreciate the dedication and support of the board of trustees, the entire district staff, and the community as I conclude my second year as superintendent of District 55. I look forward to the many opportunities to work toward our vision as we begin the 2011-2012 school year.

Billy R. Strickland, Ed.D., Superintendent
